

# PE & SPORT LEWES

## Fortnight Round-up

Sport Academy Co-ordinator: Chris Turner

Sports Apprentice: Dan Tibbles

Every fortnight the PE & Sport department here at Lewes round up what's been going on in our sports academies and enrichments. This round up will cover: results, match details, coach's comments and much more. The academy numbers this year are strong and healthy and currently stand at Men's Rugby **51**, Women's Netball **27**, Mixed Hockey **17** and Women's Football at **15**. Also the men's football team stands at **20** for the football enrichment. The inductions and trials for all the academies have passed and they are all currently training twice a week with fixtures underway. Follow on to find out about what's been happening.....

### **Men`s Football**

On Wednesday the 21st September the men`s football team played against Sussex Coast College at home taking a convincing victory. When the final whistle blew the score stood at 9-1. The goal scorers included: Josh Fawssett scoring 3, Luke Kelly (1), Tom Shambrook (1), Shaun Tait (3) and finally Goalkeeper Harry Stewart scoring one goal in which was a drop kick from his own 18 yard box. This was an impressive first match performance by the college side.

The second league match for the men`s team was against Bexhill away on the 28th September. Lewes were defeated 2-0, however they put up a good fight against last years Sussex champions. (Football 1st Team in action at Home to Hastings below)

### **Women`s Netball**

Neither of the first or second team have currently played with fixtures against SDC Eastbourne and Collyers being cancelled. However, the netball team`s have still been playing friendlies in anticipation for undergoing their opening league/cup fixtures.

### **What is going on in the sport department.....**

BTEC Sport Diploma Students are currently attending sessions for 4 weeks at Hove Lagoon Water Sports. The students get to try out: wind surfing, paddle boarding, kayaking, sailing and wake boarding activities which is linked to the new BTEC unit: Outdoor Adventurous Activities. (Students below at Hove Lagoon)

### **Men`s Rugby**

On the 21st September the 1st and 2nd team competed in the Sussex 10's competition in Hove. This was a successful tournament for the rugby team with the second team reaching the semi-final's who unfortunately got knocked out by our first team. The first team went on to face a strong Worthing side in the final winning the competition without conceding a point throughout the tournament. An impressive display by both teams in which was their first competitive outing.

The 28th September was the day in which the first team faced St Bedes away in the Daily Mail cup. The late kick-off did not affect the first team who went on to beat the home team 45-5. This was a great team performance making a man of the match hard to select. Elliot Simmons and Luke Auckland this years new captain and vice-captain respectively lead the team well.

### **Women`s Football**

The women`s football team played in the ESFA Cup against BHASVIC at home on the 28th September. This was a game full of goals with the final score ending at 9-7 to BHASVIC. With the visiting side leading the score into half time at 4-2 as the stronger side. However in the second half Lewes became the stronger side producing some good chances as a result of good team play. Lewes carried on increasing the pressure securing a couple of goals but as the final whistle blew it was not enough to take victory.

### **Mixed Hockey**

After the hockey team winning the U19 National Sixth form tertiary College Cup last year. The hockey team who are aiming for another successful year are under going training with coach Ashley Kempton preparing for their various cups.
