Introduction Welcome to the Eighteenth and final edition for the academic year of the 'PE & Sport @ Lewes Fortnight Round-up'. It has been another successful year with the academies involved in numerous finals and semi-finals. In total the academies have a win percentage of 65.5%, drawn 1.8% and lost 32.7%. A consistent level to last year so hopefully this can be increased next year. Good luck to all our students who will be leaving the College to pursue sport in their chosen area at the next level. Finally may we just add that the PE & Public Service staff were victorious in the yearly staff vs students netball game at Southdown Sport Club. Against the netball academy players the game was won 19-14. Please read on to see how the teams have been getting on..

County Cup Final: Worthing 3—1 SDC Lewes

Football

The women`s football team faced Worthing College for the second year in a row in the County Cup Final at Haywards Heath Town F.C. It was a tense start for both sides to gain some sustained possession. It was Worthing who held most of the threat in the first period which resulted in a 1-0 lead. After a tactical change at the interval SDC became stronger and saw a effort just over the bar. This turned out to be SDC`s best chance to change the game and from this point onwards Worthing were the side able to increase their goal tally by a further three securing the Sussex Cup. A committed performance for all involved taking into account the lesser playing time the side have had this year.

Rugby

The rugby academy had reached both the British Colleges Cup and BCS Elite League Semi-finals defeated by Coleg Sir Gar and Bishop Burton respectively. These were tough games for the side which saw Coleg Sir Gar win the game and went on to win the competition. This year was the first year SDC were involved in the BCS Elite League and progressed through the play-offs into the semi-final. Earlier in the season the side did however won the Sussex Schools 10`s competition in Hove.

Sussex Cup Semi-Final: SDC Lewes 3—1 Bede`s
Sussex Cup Final: City College 4—3 SDC Lewes

The men`s academy had their final the following week against tough opponents City College. SDC started quick out the blocks pressing City making it hard for them to make an effective attack. In the end the half stayed very even with both sides securing a goal.

The second half saw a change in events with City College taking a bit more control of play and managed to secure a couple more gifted goals to extend the lead. In the latter stages skipper Callum Ridley scored a 30 yard top corner volley to close the gap. With only a few minutes remaining and a final push the game finished 4-3 to City College. An unfortunate result for the side but a committed performance. SDC a stronger side this year proving a tougher test to build upon again for next year!
