The men`s 1st team played against Brighton College in the English Schools FA Cup second round, at Whitehawk County ground. The goal scorers included Joe Winn (pen), and Luke Kelly. The first goal was followed by good build up down the right wing resulting in a clumsy challenge from their defender, SDC were awarded a penalty with Joe Winn stepping up for the spot kick scuffing the ball in the bottom left hand corner. In the second half the goal was created by Brighton College failing to clear the ball from the 18 yard box and Luke Kelly curled the ball into the top left corner leaving the keeper with no chance. The man of the match performance was awarded to Charlie Duncan who never gave the ball away, kept possession well and broke down play, well done! Men`s Rugby

Men`s Rugby vs Eastbourne College (A): Lost 28-19

On Wednesday the 12th October the first team played away to private school Eastbourne College in round three of the Daily Mail cup. Unfortunately Eastbourne claimed the victory 28-19. It was a great second half performance showing true grit and determination by the Lewes team. The defensive play was outstanding throughout the game. Henry Shiell got us back into the game with an opportunists try just before half time with a tap and go penalty. In the end it was not quite enough to win the game and the players and coaches were gutted with the result. The man of the match was awarded to Henry Shiell for his hard work around the park for the whole eighty minutes, well done! The rugby team will now drop into the Vase competition which they won at Twickenham in 2008.
